Winemaking
This original blend, which features soft and fine fragrances, is obtained after a soft pressing, maceration at low temperature and an expert sparkling winemaking method in pressure tank ensuring a perfect balance between acidity and sugar

SENSORY ANALYSIS

Colour
Straw-yellow colour with greenish highlights, fine and persistent perlage

Fragrance
Fine and elegant with hints of breadcrust and of white flowers

Taste
Its taste is elegant and mouthfilling thanks to its creamy bubble

Gastronomic suggestions
Perfect as an aperitif and with fish and shellfish
